

**ANNOUNCEMENT TO SHIPPING**  
**IJmond North Sea canal area**  
**Central Nautical Management**

Number: 16/2010

IJmuiden, 21 April 2010

Subject: Update 2<sup>nd</sup> Coentunnel construction (serialnumber CT-20/2009-7)

The director of the public body Central Nautical Management, also the State Harbour Master, announces the following:

The progress of the separation dam between the 1<sup>st</sup> and 2<sup>nd</sup> Coentunnel has reached a situation in which the crane pontoons are now on the edge of the fairway.

Traffic regulation by the "Coentunnel 8" has been established.

The construction of the separation dam is expected to last until week 22, ( or as long as necessary or as short as possible).

The dredging of a slot for the tunnel elements will take place in the final quarter of 2010 and the first quarter of 2011.

In the Spring of 2011 5 24-hour obstructions will be planned: 4 obstructions to place, fit and add anchor protection to the tunnel elements and 1 spare obstruction.

The director of the public body Central Nautical Management, also the State Harbour Master.

J. van Oosten

The Port of Amsterdam also spread the basijns (local operations reports) electronically. If you like to receive these by e-mail, please send your e-mail address to julian.sallows, e-mail:
